This preliminary information pertains to the Application submitted by the Owners and contains general information on the applicable Official Plan policies and the identified issues and should not be taken as Staff’s opinion or recommendation.

PROCESS TO DATE

Staff received the Application on November 13, 2025, and deemed the Application complete on December 16, 2025. The 120-day period, as set out in the Planning Act before the Owner can appeal to the Ontario Land Tribunal for a non-decision, ends on April 15, 2026.

NEXT STEPS

- Statutory Public Meeting is scheduled for January 20, 2026
- Recommendation Report for consideration by the Development Services Committee (“DSC”), if needed
- In the event of approval, adoption of the site-specific Official Plan Amendment

BACKGROUND

Figures 1 and 2 show the 139 ha (98 ac) Subject Lands, located along the west side of Highway 48, south of 19th Avenue. Figure 3 shows the surrounding land uses.

The Owners propose to amend the Region of York 2022 Official Plan to permit the Proposed Development

- Current Designation: Agricultural Area.
- Permitted Uses: Full range of agricultural and agriculture-related uses.

The Owners propose to amend the Markham 2014 Official Plan (the “2014 Official Plan”) to permit the Proposed Development

- Current Designation: Countryside
- Permitted Uses: Agricultural uses and farming activities.
- Proposal: Redesignate the subject lands to allow the Proposed Development and expand the urban boundary to include all of the subject lands.

The Owners requested a Minster’s Zoning Order (“MZO”) to permit the Proposed Development

The Proposed Development is subject to Zoning By-law 2024-19, as amended (see Figure 2), with the following category:

- Current Zone: Countryside (CTS)
- Permissions: Agricultural and other related uses.

The Owners proposed an MZO to rezone the Subject Lands to permit the Proposed Development. Appropriate residential zones will be implemented through the MZO to permit a mix of low and medium density housing and commercial uses. The proposed new public park will be zoned to Open Space- Public (OS-PU) with a minimum size of 16 ha (40 ac). The Development Services Committee endorsed the proposed MZO subject to refinements, on May 7, 2024. The MZO has not yet been approved by the Province of Ontario (the “Province”).
